

## Summary of resources

Below is a list of activities and resources that you can download from our website ([www.carehomepriorities.com](http://www.carehomepriorities.com)):

### Promoting the activities/survey

- **A4 flyers**
- **A4 leaflets** for general audiences
- **A4 leaflets** for residents
- **Promotions guide** (*includes ideas for text that can be copied and pasted to spread the word about our survey*)

### Activities

- **Idea 1: Icebreaker (Quiz)** – a true or false quiz about research breakthroughs and care home facts. It is nine questions long and has printable A4 “Yes/No/Not sure” prompt cards included.
- **Idea 2: Icebreaker (Tile matching game)** - a simple game involving making pairs of matching images.
- **Idea 3: Answer cards** – printable cards that can be cut up and given to participants so that they can write down their ideas about research. These could be paired with a **suggestions box** or used in activity sessions.
- **Idea 4: Discussion prompts** – ideas to help facilitate a discussion around care home research in the news.
- **Idea 5: Priorities poster** – a printable poster to allow participants to “vote” for research topics.
- **Idea 6: Prompt cards** – A4 prompt cards with pictures and large text to help facilitate activities and discussions.
- There is also a **feedback form** – an optional form you can use to feedback any suggestions you have about these resources and tell us what they were like to use.
